2. Quarterly Sales by Equipment for the FY2014 and FY2015

3. Quarterly Sales by Region for the FY2014 and FY2015

This document contains forward-looking statements and projections regarding business performance which are not historical facts. Please note that these statements are based on information relating to factors that may impact future business performance that was available for analysis at the time this document was printed. These factors include industry trends relating to the business areas of Funai Electric Co., Ltd. or the Funai Group, such as audio-visual devices and information communication equipment, the economic conditions of both domestic and international markets, and fluctuations in currency exchange rates. Actual performance may greatly differ from projections included in this document because of the impacts of uncertainty in such areas as the competitive conditions of the electronics industry, market trends, currency exchange rate, introduction and success of new products, and various other global conditions that may affect the tax system and other systems.
